LIABILITY RELEASE for Online School of Sonship Ministry

I (name) acknowledge that team members from the THEO Ministries may voluntarily agree to pray for me. I understand that this session is not a professional counselling meeting and that none of the team members are licensed counsellors. I understand that these team members are, to the best of their ability, doing what they can to help me achieve more healing and freedom in my life.

I understand that THEO Ministries is a non-profit making organisation that makes no charge for the ministry sessions on healing. I further state that I have voluntarily sought assistance of my own initiative and that I am under no obligation to accept or reject any of the advice or help that I might receive from the team members during this ministry.

Our team members offer biblical spiritual services to anyone who desires them regardless of ability to pay. Although there is no charge for services, all efforts to build this ministry, support and train others, are paid directly from the donations of others or those receiving these services.

I understand that if I receive ministry from the THEO Ministries team, the team is committed to respect the disclosed information, but not to complete confidentiality. The information, as needed, may be shared with other leaders where appropriate. This may include future meetings with spiritual mentors in the church to set appropriate boundaries for my personal and spiritual growth. Information will be shared in discussion with me, where appropriate. I understand that THEO Ministries has to report child and vulnerable adult abuse to the proper authorities, where appropriate. I agree to hold THEO Ministries and its team members free from any and all liability, loss or damage of any kind that may arise as a result of assistance, which I have received, or from my involvement with THEO Ministries.

'I have read this disclaimer and release liability and understand and agree with it and have executed it as my free and voluntary act'
