

PASTOR/LEADER REFERRAL FORM

Dear Pastor or Church Leader,

RE: Online School of Sonship (Jan 7 - Mar 27 2021)

This is just to let you know that a member of your church has applied to the THEO Ministries School of Sonship. The School will take place every Thursday evening (7.15 - 9.15pm) and one Saturday morning per month (10am - 1pm). We would really appreciate it if you could complete the details below and email back to us on info@theoministries.com as soon as possible.

What is Kingdom Medicine: School of Sonship?

The School of Sonship is about nurturing the spirit through the various stages of spiritual growth, and this involves the healing of hearts. The healing of hearts is an important part of our spiritual development that helps us grow deeper in our relationship with God.

This online school will provide teaching and corporate ministry to connect hearts to the heart of God. This includes discovering our spiritual identity, knowing our divine authority, and learning how to walk in divine sonship & freedom.

There will be a time for corporate ministry after each session, where each person will be invited in their homes to encounter God's presence. This is an opportunity for each person to welcome Father God, Jesus and Holy Spirit to minister in the various areas of their heart.

The corporate ministry sessions will include the following: *hearing God, forgiving from the heart, healing of past wounds, freedom from fears and rejection, encountering the cross, dealing with disappointments, dealing with false beliefs, and much more.*

Those who will benefit the most are those who are:

- *Hungry for more of God*
- *Have a passion to heal the sick and set the captives free*
- *Have a desire to learn more & acquire more tools for healing*
- *Come with an open heart for the Lord to do deeper healing during the corporate ministry sessions*
